PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 07/10/2017 and 09/12/2017.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4

Special Condition # 14: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but not more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On or about January 24, 2018, and March 7, 2018, Mr. Ike consumed marijuana.

Mr. Ike's conditions were reviewed with him on November 22, 2016. He signed his conditions acknowledging an understanding of his conditions which includes special condition number 14, as noted above.

On January 24, 2018, Mr. Ike reported to the probation office. A urinalysis (UA) sample was collected which onsite tested presumptive positive for tetrahydrocannabinol (THC), the active chemical in marijuana. Mr. Ike denied new use of marijuana. The sample was sent to Alere Toxicology (Alere) for confirmation. During this visit, Mr. Ike realized he may have consumed a bake good with THC in it over the weekend. He stated a family member had provided him with a homemade baked good, and perhaps it contained THC. The undersigned instructed Mr. Ike to call the family member and ask if the baked good contained THC. On January 24, 2018, Mr. Ike called the undersigned and stated he spoke with the family member who confirmed the baked good contained THC.

On January 28, 2018, Alere reported the UA sample which was collected on January 24, 2018, was confirmed positive for THC.

On March 15, 2018, the undersigned made contact with Mr. Ike at his residence. Mr. Ike admitted to consuming marijuana on or about March 7, 2018. Mr. Ike signed a drug use admission form acknowledging the aforementioned. A UA sample was collected which onsite tested presumptive positive for THC.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 07/10/2017 and 09/12/2017.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: March 16, 2018
